INCREPACIÓ DANZA PRESENTS XX AT THE BEST OF THE FEST - EINDHOVEN, HOLLAND

Increpación Danza presents **XX** at the **Best of the Fest**, PARKTHEATER, Eindhoven, Holland, September the 5th (7:30 pm).

XX

Trying to summarize twenty years of history in one show is quite difficult. **XX** features moments from the company's most outstanding pieces of the XXth Century, always looking for a musical and formal coherence; a piece talking of femininity and also explaining the origins of our imaginary.
