Photography of Nora Baylach

La Taimada, company of new scenographic formats on the expression of body and movement, presents within the cycle of short choreographies based on literary texts 'Balla'm un llibre', **Lo.li.ta** referring to Vladimir Nabokov's **Lolita**. The piece presents images which talk of innocence, objectual beauty and degradation; and positions the spectator to act as a voyeur.

In Sant Adrià Library of Sant Adrià del Besòs (Barcelona), the 2nd of May, at 7pm.
