LA TAIMADA, IN JULY, WILL BE IN DIFERENT LOCATIONS OF CATALONIA WITH THEIR SHOWS

DEATH

CRASH

Death is part of a new work phase at the company La Taimada. The movement underlines in the inside of the images approached, with a profound oneiric load, with unconscious and subliminal messages. The movement, the dance moving the bodies is internal, suble and honest.

SOMA 3 Edition (Barcelona), Thursday 12 and Friday 13 July, at 20 h - 22 h.

Crash is a show with two performers arrive together inside a car. They argue. She gets out of the car and slams the car door. He waits. He follows her. **Crash** is a crash of two bodies.

'Festa Major of Vendrell', Friday 27 July, at 22:30 h
