## THE KISS & THE PIETÀ (LA TAIMADA)

AT THE COS FESTIVAL IN REUS, 22ND OCTOBER 2016

**The Kiss & The Pietà** will be, in October, at the International Movement and Gestural Theatre Festival in Reus, at the Bartrina Theatre.

The play is a duet, a walk of two people through loneliness, despair and tenderness. **The Kiss and The Pietà** are two powerful images of the history of art: love and compassion. Somehow they summarize humanity's history: the hug that rocks and the one that holds death.

22nd October, **The Kiss & The Pietà**, at the Bartrina Theatre in Reus. COS FESTIVAL.
