‘CRASH’ (IN THE STREET) AND PRESENCE TECHNIQUE WORKSHOP BY LA TAIMADA, ‘DESEMBRE DANSA’ (CELRÀ, GIRONA)

Crash is a duet. **Crash** is not a story; it is a crash. We do not know who they are; we know nothing of their lives. They arrive together inside a car, they argue, they cross, they confront each other, they need each other, they collapse. **Crash** is a crossroads, a collision.

Proposal for two performers and a car.

Workshop Presence Technique by Olga Alvarez:

9th and 10th December, from 3:30pm to 6:30pm within ‘DESEMBRE DANSA’.

Crash (in the street):

10th December, at 8pm, at the Square outside the Teatro Ateneu in Celrà (Girona) within ‘DESEMBRE DANSA’.
