'CRASH', AT THE DANSEU FESTIVAL

La Taimada presents a duet **Crash**, a night street performance.

Crash is not a story, it is a collision between two souls. A couple argue inside a car. She gets out of the car slamming the door. He follows her. They stay in front of their own car, lit by it.

At Danseu Festival, Les Piles de Gaià (Tarragona), on Saturday 12th August, 9pm:
