CAST LA TAIMADA

La Taimada, catalan company directed by Olga Álvarez and Jordi Cabestany, is looking for two interpreters (men) to be added to the cast of one of the company's productions. We are looking for male actors/dancers/performers, between 20 and 35 years old, with a minimum of one year of stage experience in order to work within the language of the company and introduce themselves into an already premiered production, experimenting with the body and the voice.

CHARACTER PROFILE 1: A male interpreter/dancer/performer with physical and emotional risk capacity, with power in the look, good voice, and clear diction but not imposed (Catalan or Spanish). The character needs to have veracity, show fragility and tenderness while maintaining a sadistic touch. Physical aspect: preferably high and robust.

CHARACTER PROFILE 2: A man with physical and emotional risk capacity, who moves with intuition and naturalness. Credibility is sought, in daily actions and in movements on stage, as well as capacity of reaction to proposed actions. Physical aspect: preferably high and strong.

* Partial nudity may be required during the show and rehearsals.

DATES:

Rehearsals: March / April. Days to agree

Show: April 28th

* Possible continuation of the work with the company from June 2018.
