EL VUITÉ DIA/EL OCTAVO DÍA/THE EIGHTH DAY, IN ANTIC TEATRE

(BARCELONA)

La Taimada presents **El Vuitè Dia/El Octavo Día/The Eighth Day**, in preview format, within the Antic Teatre's program. With its new codirection (Olga Alvarez/Jordi Cabestany), the company offers a new way to present its work, building a bridge between cinema images, performance scenes, actions and dance. **The Eighth Day** proposes poetic, oneiric and unsettling images, with a great plastic beauty in the images of a body moved by the basic driven instincts of violence, death and sex. And it does so with sensual and disturbing simple images to give rise to a voyeurista attitude by the public.

Antic Teatre (Barcelona) on 26, 27, 28 and 29 May 2016.
