Paper bubbles

Umbra

The company Múcab Dans will be touring their show **Paper bubbles** and **Umbra** around different cities in Spain. Interactive and visual show to let go the imagination, in which the company mixes Dance, Music and Multimedia Interaction, in real time, to accompany the public in surprising and exciting small trips.

- **Paper bubbles** can be seen:

Saturday 05th of November, at 19:00h, in the Centro Cívico de Boecillo (Valladolid).

Sunday 13th of November, at 12:00h, in the Teatro Circo de Marte de La Palma (Santa Cruz de Tenerife).

Saturday 26th of November, at 18:00h, in the Teatro Bulevar de Torrelodones (Madrid).

Paper bubbles is a visual and plastic proposal that plays from the imagination of a childs (and the adults) transporting them to a place where everything is possible... A journey through a fantasy world filled with bubbles of soap, of paper, digital, balloons, shadows, with black light,.. A dynamic and magical show where, young and old, can't look off the stage and where they will be actively involved at the end traveling to Bombàlia...

Best Young Audience Show Award - Feria de Teatro de Castilla-León Ciudad Rodrigo 2014.

Umbra can be seen:

Saturday 19th of November, at 21.00h, in the Teatre La Sala de Rubí (Barcelona).

Sunday 20th of November, at 18.00h, in the Teatre Clavé de Tordera (Barcelona).

Friday 25th of November, at 20.30h, in the Teatro Real Carlos III de Aranjuez (Madrid).

Umbra speaks to confront our fears, to break routines, the social constraints, break the established rules and liberate our oppressed me.

Umbra would be a grain of sand to social transformation in a world in which we have forgotten to look, listen, touch, feel and breathe. A global world in which we lost the nuances to form part of a whole increasingly gray.
