## MÚCAB DANS, IN APRIL, WILL PARTICIPATE IN THE SISMÒGRAF FESTIVAL AND THE DANSAT! FESTIVAL WITH 'BULB' AND 'UMBRA'

**Bulb**

**Umbra**

Múcab Dans company will present its interactive shows **Bulb** and **Umbra** at the main dance festivals in Catalonia: the Sismògraf Festival in Olot and the Dansat! Festival in Barcelona. An excellent way to celebrate the International Day of Dance and a great opportunity to know about the company's work in relation to dance, scene and multimedia interaction in real time.

**Bulb** can be seen:

Friday, 21<sup>th</sup> of April, at 21:00 h, in the Sismògraf Festival in Olot

Saturday, 22<sup>th</sup> of April, at 20:00 h, in the Teatre Modern of El Prat de Llobregat

**Bulb** is a lighting interactive scenography which plays with the same word on itself. On one side bulb (light object) and on the other side bulb (in Catalan), is like the underground storage organs of nutrients (like in some aliments in botany, in anatomy the hair,...). **Bulb** is a dual proposal, as can be understood as an interactive installation and/or worked as a staging with specific working groups.

**Umbra** can be seen:

Saturday, 22<sup>th</sup> of April, at 21:00h, in the Teatre Modern of El Prat de Llobregat

Friday, 28<sup>th</sup> of April, at 20:30h, in the Dansat! Festival in Barcelona

**Umbra** speaks to confront our fears, to break routines, the social constraints, break the established rules and liberate our oppressed me. **Umbra** pretends to be a grain of sand to social transformation in a world in which we have forgotten to look, listen, touch, feel and breathe. A global world in which we lost the nuances to form part of a whole increasingly gray.
