## **7<sup>TH</sup> MARCH - PREMIERE OF NEW MAL PELO PERFORMANCE 'THE FIFTH WINTER' AT BIENNALE DE LA DANSE DE LA VAL DE MARNE**

The Fifth Winter is a project that reunites María Muñoz and Pep Ramis in the creation of a new duet. This piece will reveal to us the relationship between two people and a space where they “wait in silence” for another winter to pass. The fifth.

A series of games and strategies to while away the wait will fill the silence in an unexpectedly constructive way. Next performances: 29-30/04 and 1/05 2015 at Agora de la Danse of Montreal, 12-13/05/2015 Archipel de Perpignan, 22-23/07/2015 Grec Festival de Barcelona 2015, 20/11/2015 Temporada Alta, festival de Tardor de Catalunya, Girona/Salt and from 24/11 to 01/12/2015 at Théâtre de la Ville les Abbesses de Paris.

**13<sup>th</sup> and 14<sup>th</sup> March, BACH performances at Kennedy Center for performing Arts de Washington, USA.**
