Where do all the made-up stories go?

Lua loves discovering things that are hidden in children’s bedrooms. She loves climbing in from the wardrobe when they leave the room and finding all those fantasies that seep from little boys’ and girls’ heads while they play and that are hidden in the corners, under the sheets, in the drawers or that float around in the air.

- **Mons (When I close my eyes)** will be on May 27th at 19h; and 28th at 10:00h and 14:15h, Festival Luluberlu de Blagnac (France).

Mons (When I close my eyes) Synopsis:

Inspired by the work of the author and illustrator Jimmy Liao, this production is suitable for all ages. It entices us into these intimate universes where we go when things aren't so great. Imaginary worlds where we find security, breathe peacefully and stroll leisurely. A kaleidoscopic world filled with strange magical shapes where everything is possible.
