Mons (When I close my eyes) Synopsis:

Inspired by the work of the author and illustrator Jimmy Liao, this production is suitable for all ages. It entices us into these intimate universes where we go when things aren't so great. Imaginary worlds where we find security, breathe peacefully and stroll leisurely. A kaleidoscopic world filled with strange magical shapes where everything is possible.

- Wabi-Sabi is on 25 February, at the CMI Pumarín-Gijón South, at 10:00h and 12:45h.

Wabi-Sabi Synopsis:

How many stories are crumpled up on the paper that illustrators, writers and poets throw into the wastepaper basket? These stories lie dormant on the paper, waiting for someone to come and rescue them... At times, they manage to escape and float off in search of another mind that gives them free rein.

Concealed, broken and crumpled stories... Paper stories.. Will we unleash them?

- Minimón will be on 29 February, in The Patronal de Sant Quirze del Vallès, at 10: 00h.

Minimón Synopsis:

Where do all the made-up stories go?

Lua loves discovering things that are hidden in children's bedrooms. She loves climbing in from the wardrobe when they leave the room and finding all those fantasies that seep from little boys' and girls' heads while they play and that are hidden in the corners, under the sheets, in the drawers or that float around in the air.
