Momentari Synopsis:

Tari is the name of a strange character: a collector who shows us his special collection, a collection that he has been creating over the years, dedicating his time to watching, feeling and discovering where true happiness lies. A collection of simple, uncomplicated moments that pass unnoticed in the eyes of many, but where the most important things in life are hidden.

“Momentari”, an authentic inventory of moments, a journey full of sensations, colours, sounds, images...

- **Wabi-Sabi** can be seen on April 10, in the Ateneu de Igualada, at 10:15h Mostra 2016.

Wabi-Sabi Synopsis:

How many stories are crumpled up on the paper that illustrators, writers and poets throw into the wastepaper basket? These stories lie dormant on the paper, waiting for someone to come and rescue them... At times, they manage to escape and float off in search of another mind that gives them free rein. Concealed, broken and crumpled stories... Paper stories... Will we unleash them?

-**Mons (When I close my eyes)** can be seen on April 27, in the ‘Auditorio de Calldetenes’ (Barcelona, Spain), at 10:30h; and on April 28, in the Theatre Cirvianum of Torelló (Barcelona, Spain), at 10:30h.

Mons (When I close my eyes) Synopsis:

Inspired by the work of the author and illustrator Jimmy Liao, this production is suitable for all ages. It entices us into these intimate universes where we go when things aren't so great. Imaginary worlds where we find security, breathe peacefully and stroll leisurely. A kaleidoscopic world filled with strange magical shapes where everything is possible.
