It is a vibrant and positive child and family dance show that takes place in a storeroom. Abandoned toys come alive and broken, abandoned possessions find a new opportunity to turn their flaws into virtues. A homage to diversity and difference.

Zaquizamí comes to the TNC after touring Catalonia and Spain performing more than 50 functions and participating in several fairs and festivals (Fira Mediterrània de Manresa, Mostra d'Igualada, Feria FETEN de Gijón, Festival FIT de Cerdanyola del Vallès).
