ROSELAND MUSICAL: PERFORMANCES OCTOBER 2018

ONE DAY

Dance for smallest viewers from 1 to 5 years old

Into a forest, among mushrooms that hide surprises, our character is sleeping caressed by a sweet melody. Upon awakening, he feels drawn to know how a common day is for a child in a big city.

It will not be 'One day' as other for him, full of new things, but it will be a common day for the small viewers who, little by little, they will see in the magical transformation of this corner of forest their objects, their sounds, their adventures, their emotions, even the place where their dreams appear!

07/10/2018: La Gralla de Sant Boi de Llobregat, at 11 h and 12 h
