ROSELAND MUSICAL'S PERFORMANCES IN OCTUBRE

PINOCCHIO

Dance and multimedia.

For spectators from 5 to 12 years.

The play tells the story of Pinocchio using the linguistic codes of our times: the new technologies, the syncretism of the arts and aesthetics, the image over the word and the integration of people of all ages.

For an hour the mythical character comes to life thanks to the creative love of his father, the famous Geppetto, who in this version builds Pinocchio with cans, newspapers and other recycled materials.

Tangled in situations renovated from the classic tale, Pinocchio moves through animated mutant scenery enveloping the viewer in a fantasy world full of references, feelings and emotions.
