‘TRUE LIES BEHIND THE CURTAIN’ IN THE FESTIVAL SISMÒGRAF OF OLOT

I.Boza/SenZaTemPo and the visual artist Alfred Mauve, present the Exhibition / Installation **‘True Lies behind the curtain’**, in the Festival Sismògraf of Olot. In a caravan will recreate the universe of the book ‘A Tribute to dreamers’, the stolen images from the performers who have been part of the SenZaTemPo shows, along its trajectory. The caravan “True lies behind the curtain”, it’s an open space to the imagination. An exterior meeting point, behind the curtain, a cosy space where the photographer created his own universe from what he take a picture of, giving the chance to discover the oneiric world that is behind the curtain, which is not seen on stage, which is about the open landscapes, the contingencies and about dreams.

In front of the Teatro Principal de Olot among the days 23th, 24th and 25th of April.
