"LOOK AT ME SLOWLY... I'M IN A HURRY" IN THE BESÒS CIVIC CENTER

I.Boza /SenZaTemPo drives Creació Besòs project in collaboration with Besòs Civic Center, for the establishment of a stable research and performing arts group in this civic center. Besòs Creació presents its first creation "Look at me slowly ... I'm in a hurry," a dance theater piece fruit of an open process of creation through collaborative workshops between professionals and amateurs, led by Inés Boza (SenZaTemPo). Expect unanswered; daily contradictions; absurd, continued, tech ... and while live control. Around these proposals with an individually and collectively echo, Besòs Creació presents a sensible and fun approach, strongly linked to the hybrid identity of the neighborhood.

Friday, July 3, at 20:30 h, at the Theatre of del Besòs Civic Center.
