**Aigua**

**Wabi-Sabi**

- **Aigua** will be, on April 4, in Ateneo of Igualada, at 11 h and at 15:15 h, in 'Mostra d'Igualada 2019'; and on April 27, at the Auditori of Santa Coloma de Farners.

### **Aigua** synopsis:

I like water, I can watch it for hours and never tire of contemplating its movement. The water is magical, it transforms, and without stopping being the same, it changes its appearance to travel from the ground to the air in a constant transformation that has no end.

Dancing the water, being water and transforming me.

Now liquid, now gaseous, now solid.

Thousands of movements, thousand textures and colours.

I want to be a drop, a sea, a cloud, a river and travel like water.

- **Wabi-Sabi** will be, on the 10th of April, at the Monumental of Mataró, at 9:45 h and 11 h; and on the 24th and 25th of April, at the Teatre de la Vila of Palau Solità i Plegamans, at 9:30 h and 10:45 h.

### **Wabi-Sabi** synopsis:

How many stories are crumpled up on the paper that illustrators, writers and poets throw into the wastepaper basket? These stories lie dormant on the paper, waiting for someone to come and rescue them... At times, they manage to escape and float off in search of another mind that gives them free rein. Concealed, broken and crumpled stories... Paper stories... Will we unleash them?
