MONS DANSA WILL BE WITH HIS LATEST SHOW 'AIGUA' IN ANDOAIN

Aigua

Mons Dansa company will perform his latest show, **Aigua**, in Bastero Kulturgunea (Andoain, Basque Country), at October 27, at 17 h.

Synopsis of the show **Aigua**:

I like water. I can watch it for hours and never tire of contemplating its movement. The water is magical, it transforms, and without stopping being the same, it changes its appearance to travel from the ground to the air in a constant transformation that has no end.

Dancing the water ... Being water and transforming me.

Now liquid, now gaseous, now solid.

Thousands of movements, thousand textures and colours.

I want to be a drop, a sea, a cloud, a river and travel like water.
