‘COBLISM 2.0’ SHOW PRESENTATION

Coblism 2.0

CobosMika Company, La Cobla de Sant Jordi Ciutat de Barcelona and Raph Dumas will present **Coblism 2.0**, on 6th August, at 10 p.m., within the Amb So de Cobla Festival, in Palamós (Girona).

DJ, Cobla and contemporary dance will be completely fused. The cobla passes through the hands of the electronics, the DJ amalgamates colours and senses in a very updated reading of the walk of the tradition, and the dance gives the movement to all this musical mixture.
