I am from here is a dance performance for young people that, in a fresh and fun way, portrays the daily life of a group of neighbours in the inner courtyard of a block in Barcelona's Eixample neighbourhood. Through dance and movement, we learn about the relationships between them, their day-to-day coincidences, plurality, celebrations, and conflicts. A set of fragments that show how, despite apparent differences, contact and coexistence in public space weave community bonds.

I am from here is a co-production of the Grec 2023 festival and Teatre Principal in Vilanova i la Geltrú.
