NEW PERFORMANCES OF 'HEM DE PARLAR' AND '11ONZE'

Hem de parlar

11ONZE

The Cia. Vero Cendoya continues to tour with the dance-theatre show, **Hem de parlar**, a story that talks about relationships and conflicts between couples and, in turn, about living together as a family with a teenager. Some of the performances of this piece will take place within the Assitej circuit. On the other hand, the performances of **11ONZE** continue, project within 'Balla'm un llibre' that explores, through dance, the universe of the writer and journalist, Josep Maria Espinàs, based on two of his most outstanding books: **El teu nom és Olga** (as a reference in form) and **I la festa segueix** (in content).
