**Bob Marley for babies**

La petita malumaluga will perform, during the month of December, several performances of two of its shows.

On the 3rd, at 5:30 p.m., 6:30 p.m. and 7:30 p.m., **Bob Marley for babies** will be offered at the Teatro del Bosque in Móstoles (Madrid), as part of Platea circuit. For more information, consult this link:

**Bob Marley for babies** is the second part of the trilogy that La Petita Malumaluga began with the international hit **Beatles for babies (a tribute concert to The Beatles)**. Four dancers who sing, or four singers who dance, and a cellist perform sophisticated vocal arrangements of the great songs of Bob Marley, one of the main African-American cultural icons of the 20th century. The company will travel to San Sebastián (Guipúzcoa), where it will offer **Nubes con bebés** in the Sala de Plenos of the Town Hall, at 4.30, 5.30 and 6.30 p.m.

**Nubes con bebés** is a show that combines live percussion music, jazz classics, verse and the telling of an original story. Through text, visual and sound textures, and lots of live percussion, a world of clouds, thunder, rain and earth is described. Percussion stages the different elements of nature and children discover the sound of clouds and rain, the power of thunder, the melody of the wind, and the power of the sea, rivers and waves on the beach.
