El Baile de la Zurda

@marjonablasco @danseufestival

LaCerde company will be performing its show **El Baile de la Zurda** in various stages during the month of September. On the 15th and 22nd it will be shown as part of the [Circuit Tardor en Dansa](#), an activity within the II Pla d'impuls de la dansa, an initiative of the departament de Cultura de la Generalitat de Catalunya and the associations ACPDC and APDC. The first performance will take place in the Plaça del Mercadal in Pont de Suert (Lleida), at 12 noon; and the second, in the Convent de les Arts in Alcover (Tarragona), at 7 p.m. The company will also perform the show on the 26th, at 1.30 pm, in a covered outdoor space at the Palacio de Congressos in Huesca, within the [Feria de Teatro y Danza](#).

In **El Baile de la Zurda**, LaCerde takes the vital impulse that moves all the bodies that dance to the rhythm of the music, to investigate the nature of dance as movement, but also as a festive meeting space and a paradigm of collectivity. The piece is a tribute to dance, to the desire to live dancing despite everything, a tribute also to the Latin American roots of LaCerde's artistic directors, source of their passion for dance.
