LACERDA PRESENTS 'EL BAILE DE LA ZURDA' IN GRANADA AS PART OF THE PLATEA PROGRAMME

El Baile de la Zurda

LaCerde will perform **El Baile de la Zurda** on 14 February at 8 p.m. at [Teatro Municipal Isabel la Católica](#) in Granada (Granada), as part of the Platea programme, an initiative that supports the touring of performing arts productions across Spain.

The production explores choreography where movement and the body serve as primary narrative tools, combining rhythm, gesture and stage presence to establish a direct connection with audiences through a contemporary physical language.
