CIA. MIQUEL BARCELONA BRINGS 'ORGIA' TO TNT IN SEVILLE

Cia. Miquel Barcelona will present **Orgia** on November 1 at 8 pm at [TNT](#) in Seville. The performance challenges the sexualised gaze directed at bodies.

Drawing on countercultural dance forms such as voguing, waacking, twerk and dancehall, **Orgia** celebrates the beauty of bodily pleasure, often associated with prohibition, dissidence or immorality, while questioning the capitalist and heteronormative ideas that shape how bodies are viewed.
