KERNEL DANCE THEATRE SHARES 'OUT OF LINE' AT CAN GASSOL

Out of line

Kernel Dance Theatre is developing part of its new work **Out of line** at Can Gassol, Mataró's performing arts creation centre, through the venue's creative support programme. On November 28 at 8 pm, the company will hold an open rehearsal to share the work's development with audiences. Admission is free with advance booking.

Out of line is a contemporary dance work drawing on personal experiences to explore what it means to step outside the norm. It questions the boundaries of what is considered acceptable, the relationship between the individual and the group, and the weight of others' perceptions, while affirming the possibility of finding one's own voice.

The company, comprising Junyi Sun, Alma Steiner and Marina Miguel, combines contemporary dance, martial arts and theatre with a critical and poetic perspective. Following the November sharing, **Out of line** is scheduled to be presented at Teatre Monumental in Mataró on December 11. Further information and booking via Can Gassol.
